

THE "PAUL MAIL," AND THE EMPEROR.

The Paul Mail, which is not a newspaper, but a collection of news, is a very interesting and useful publication. It is published by the Emperor of France, and contains a great deal of information about the affairs of the Empire. It is a very valuable work, and is well worth a study.

The Paul Mail is a collection of news, and is published by the Emperor of France. It contains a great deal of information about the affairs of the Empire, and is a very valuable work. It is well worth a study.
